# ⚠ WARNING! ⚠

If your copy of Master of Time seems unstable, try resetting your game.

Sometimes during gameplay you might see Gabriel hurting without any apparent reason. Some might call this a bug in the game, but for Gabriel the pain is real. Have patience with him and let him have a second chance if things go awry.

# GETTING STARTED

1. Insert your **Master of Time** Game Pak into your Nintendo Entertainment System and turn it on.

2. Press **START** to watch the story about how Gabriel's son Noah was kidnapped by the evil Zemitex. Press **A** to go to the next story screen. Press **SELECT** to skip the story. When Gabriel shouts Noah's name press the **A** button.

3. To end the game at any time, simply turn off your Nintendo Entertainment System and remove your Game Pak.

# ABOUT GABRIEL

Gabriel was a man living in 19th century Switzerland with his son Noah. They enjoyed living in the country side, until one day Noah was kidnapped by a mystical sorcerer named Zemitex. Gabriel met an old man who gave him a magical stop watch. He told Gabriel to wear it around his neck. That would enable him to travel through time without aging. Only by time travel could he bring Noah back home.

# CONTROLLING GABRIEL

| | |
|---|---|
| **Move left or right** | Press the directional pad left or right |
| **Jump** | Press the A button |
| **Fire “time shots”** | Press the B button (when shots are equipped) |
| **Double jump** | Press the A button a second time while in midair (only works when jump boots are equipped) |
